CASSIE

"If folks wanked a lot more, the world would be a happier place," suggests chunky-chebbed Cassie (30) as she lazily runs a finger around her engorged clitoris. "I'm happy and I'm always wanking. Not just myself either – I love staring into a man's face as I jerk him off violently, my boobs jiggling, my wrist a blur. They're always pretty happy too, when they've filled up my cleavage with sticky cum!"

Dirty Dancing

CHERYL, STAMFORD
£60

You should meet my girlfriend Cher – she's a horny bitch! She likes to bet with me how many men she can pick up in a night. She usually wins!

When she goes out she dresses really provocatively. She wears stockings and suspenders, a short skirt and a crop-top, with her big boobs spilling out it.

No bra or knickers for her! She can just bend over or raise a leg to take some cock.

One Friday night there was a group of lads at the club. Cher put on a dirty dancing show for them.

Everyone could see everything on offer.

Then one of the lads joined her, rubbing her pussy in front of his mates. Then she smiled at me and took all three of them home.

I have a video camera over the bed, so I always get to see what she does. She started by sucking them off one after another.

Then she found the biggest cock and spiked herself on it. The other two lads were left to fight over her mouth and arse while she rode the big one in her pussy.

She got every hole filled, and ended up taking spunk up her cunt, up her arse and down her throat. She rubbed the creamy refuse over her tits, her pussy and her face.

Now, are you sure you don't want to meet her?

Richard, Stamford.

Sleepy head

Things got mega-dirty when my mate Lexi stayed over.

We've both been with our boyfriends for a while, and I was whinging to her about how mine wasn't that bothered with sex at the moment. Either he was busy working, or doing bloke stuff, or too knackered.

Lexi said when she realised that she and hers hadn't had a fuck for a month, she took charge.

He woke up at 3am to find her straddling his thighs and playing with his cock. She was wet and working her juices all over his shaft, and told him she was going to fuck him, whether he was awake or went back to sleep.

She's not shy of going into the filthiest detail, and I started to feel my own cunt swell up and moisten. At first, I was thinking about sex I'd experienced myself,

I TOLD HER TO SIT ON MY FACE SO I COULD EAT HER CUNT OUT TOO

but then I started to picture Lexi, tits bouncing and slapping all over the place and cunt spread open wide as she rode her bloke's knob.

I was too worked up to sleep and so, when we knocked back the last of our wine and put the lights out, I rolled over so my back was to Lexi's. Then I stuck my hand in between my legs, grinding slow and easy so I wouldn't wake her.

It wasn't just me who was turned on, though. Lexi must have thought I'd nodded off too because, next thing, I heard her frigging herself a bit more openly than I was.

I don't know who kissed who first, but we were soon tearing into each other.

Feeling up her body was so horny. I like to stroke my body all over and have a good play with my tits, so it felt sort of familiar but different!

But she went for my twat first, cupping my mound then, when I opened my legs a bit, bunching up three fingers and fucking them in and out. She was sucking on my nipples, sending sensations between them and my crotch, then she moved down so she could give my clit a bit of stimulation too. At first she fingered it, then pulled it so tight that her tongue was virtually twanging it as she started licking.

She got me all excited, but when she asked me what she wanted me to do next, I told her to sit on my face so I could eat her cunt out too.

She cocked her leg over, spreading her thighs until her snatch was right over my mouth, and I splayed her wide open, reaming my tongue along her slit and into her hole.

I just licked and fingered her as hard as I could, determined to keep on going until I got her cumming. It wasn't exactly difficult anyway – she'd always told me she was naturally orgasmic, and I could tell she wasn't lying or faking!

We sucked and finger-fucked each other to a whole load of orgasms, hardly sleeping until it was really light outside.

Then we had a shower together before going out to our local pub. Lexi was wearing a little miniskirt, but I resisted the temptation to stick my hand up it. We haven't told the lads either – I'm hoping it carries on, whether or not it stays our dirty little secret!

Dear Julia

The best boobs in the world, let alone the UK, were featured in this month's *Escort* magazine (vol 33 no 6). Sophie's top twats were particulary gladdening for my glans, but being obviously artificially inflated have to take third place behind Emma's Essex buoys and Penny's ginormous juggalos. REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Frostrup was unconvinced by the Hay Festival's new direction

Author of one hundred books and counting, erotic writer Peter Birch reveals the strains of writing one-handed...

Wedding crushers

Writing erotica for a living can be hard work, in every sense of the phrase. The biggest problem an erotic writer faces is his own horniness. Penning stories that are designed to sufficiently stimulate the reader so they're turned on for sex, or to use the material so they can orgasm themselves, has an effect on the writer too. Well, we are still human and so if you're not getting turned on by your own writing then you're doing it wrong, or you're a hive-being from the planet Xub!

With my 100th book, *The Brat And The Master*, recently released and although I've written a lot, there are still times when you need to cum because you can't write properly any more! Putting it bluntly, you start writing gibberish. If the wife is available, great; if not, then it's a quick one off the wrist followed by a peaceful coffee before getting back to it. This issue far outweighs writers' block, which is for amateurs and primadonnas.

Before becoming a writer, I would read books like *The Story of O* and always felt I could do better. It is non-erotic writers like P. G. Wodehouse (and his subtle references to spanking in the Jeeves series) that influenced my style. Much of the inspiration for my novels comes from personal experience and my long involvement with the fetish scene. Remembering those times and putting them into ink is bound to turn me on.

Thousands of things I've done have ended up on page. For example, back in the 90s, my wife and I organised an exclusive little club, with no more than 50 people, most of whom were couples. There were two members who owned a farm, so we would have meetings and run pony play sessions and little cart races. The pony scenes in my first novel, *The Rake*, are pretty much straight from what we had been doing at the meetings.

But it is spanking I enjoy writing about, and where reality most influences my writing. I pride myself on long, involved descriptions, many of which come from real encounters. My writing always contains plenty of spanking, but I have very broad tastes and must have included just about everything short of the most extreme, violent fetishes, which I dislike.

Visual imagery is important too, such as clothing (especially from the 50s and Victorian times), uniforms, anything sexy and stylised. I also like anything that can arouse strong emotions, such as exhibitionism, watersports and bondage, especially predicament bondage. Unlike regular bondage where the character can't escape, predicament bondage is when they are tied up in a clever way so that they may be able to get out, but with consequences. A simple example is someone tied up so she can escape, but only by getting out of her clothes. So you've got a choice: you're either stuck to the fence, or you're running through town naked. That's the predicament.

These things are sexy to me, but I appreciate that they're not necessarily sexy to everybody. While there's always plenty of conventional sex in my books, if I left out the kinky stuff it would really just be hack work. Of course, there are some occasions when I want to write about a sexual act, but I've never done it myself or I need to write from the perspective of a woman. At these times it's important to do the research and even speak to someone that has done it to get an accurate account so the story stays true and sexy.

I've discovered there are some themes or concepts that are better left out of good erotica. For example, death: sex should be about life! I dislike euphemism: for goodness sake call a cock a cock and not a rod of love or virile appendage! Condoms may be necessary in real life, but not every sex scene needs a description of the contraception involve. Also, this is erotica, so no shutting the bedroom door – keep the lights on and the viewpoint up close.

My top tips for successful erotic writing is that you should follow her fantasies (if you're writing for a lover or partner), use sexual words that appeal to your reader and get the pace right. Too fast and it won't work, too slow and she'll lose interest. It should take around the same time you would want to spend turning her on with foreplay.

CHLOE

Just 18, pixie-faced Chloe looks so sweet and innocent we were worried for her elfin safety. We needn't have worried – she hasn't been kidnapped by Albanian traffickers to strut her gorgeous young assets in our pages, she's just a sweet, sexy and very horny young girl from Clacton who loves to suck cock and wants to make it big in magazines. She's made us big anyway, so a good start. Look out for more of Chloe soon.

REAL WIFE SEX

Laura, Notts

Friends stick together, and get sticky together, as a shy boy is helped out with a phwoarsome foursome...

ALL FOR ONE,

So, I was down the pub with a bunch of mates and I was talking with two of the girls, Katrina and Tia, about a male friend of ours, Simon, saying we couldn't believe that someone with so much going for him was still single. Then one of the boys chipped in, saying, "He's single, you're all single, what's stopping one of you from asking him out?" He added how we were always moaning about blokes acting like bastards, so why not take a chance on someone we liked who'd treat us well?

I was convinced and, later that week, I went round to Simon's with some beers, "just to hang out". Subtle flirting didn't work – it honestly didn't occur to him that I might be after more until I grabbed him for a snog – then he took the hint, pulling me right up to him and slipping me some tongue. I couldn't help but notice that his flies were bulging too.

I was so desperate to feel him up, to find out what was inside them, but I played it cool for his sake. He was still a bit more nervous than I'd have liked, though, so it was me who got my top off to give him a proper play with my tits, as I dry-rubbed him, grinding myself against him through our jeans.

Soon his were too tight for comfort – he pretty much groaned with relief when I reached down and popped his zip and button. Then I shrugged my way out of the rest of my clothes and started wanking him.

That might have been enough for him, but not for me – I wanted to go all the way. And I was sure as hell wet enough to take his cock, which was big enough to satisfy!

I clamped tight on his shaft as he spunked in me

I got on top and slipped it inside me, arching as I rode him so he could see my

tits bounce, though he pulled me down for another snog and a suck on my tits.

"Shit," he moaned, "maybe you'd better slow down." But I just kept bucking on his cock, thrusting my crotch and arse down hard as he said he was cumming, clamping tight around his shaft as he spunked inside me.

I stayed most of the night, sucking his cock and fucking him in a few more positions, and decided he could add "damn good shag" to the list of things he had going for him! The next morning, though, I said maybe we should keep quiet about what had happened.

I didn't hear from him for over a week after that and his phone always seemed to be switched off. So, needing to talk, I met up with Katrina and Tia. Tia went pale then blushed bright red when I told them what was up. It was obvious she'd slept with Simon too, and Katrina wasn't pleased – Tia had lied to her about it and tried to put her off having a crack at him herself!

All three of us went to Simon's to confront him. It turned out he'd thought I regretted or felt ashamed of fucking him – stupid sod! – so he'd shagged Tia on the rebound a couple of nights later. Before she could get mad at him, Katrina chimed in that this was like some fucking soap opera and he'd better slip her a length too.

Luckily, this cracked us all up and Simon said, "C'mere" and hugged us all to him.

I felt my pussy melt as I pressed up against his body, and Tia was obviously feeling the same way too. I nuzzled up to him and kissed him on the mouth – just a peck, but he snogged me back, then kissed Tia too before locking lips with Katrina.

It was only fair to stand back and let her have first go, so Tia and I just cuddled as friends at first, then as we watched Simon help Katrina get her kit off – way

AVRIL + SIMONE

Are you sure you don't need a, er, real man to step in there girls? "No thanks, this double-ended dildo is just the ticket!" smirks Avril (22). "Simone knows how to use her cock as well as any man. She fucks me hard and fast from behind, then slows down for some deep pile-driver action while she plugs her own hole. We get so wet and wide-open our pussies can almost touch in the middle! The only thing we're missing is hot spunk. And I'm sure you boys can provide us with that, can't you?" Too right!

CHESSIE

"My boyfriend says that I won't shut up! So I guess it's just as well for him that I can accommodate two cocks at once between these luscious lips!" boasts chatterbox Chessie (21, from Sutton). "I'm always badgering him for sex, talking dirty to him – the poor love! I can be too much for any one man so he brings his pal round to fuck me as well. Having two cock heads sliding over my tongue is heaven. Once they even managed to cum together and give me a double shot of creamy spunk!"

Suited Booty

Our firm doesn't have a Christmas party – they reckon venue hire and so on is a rip-off around that time of year. Instead they have a big staff party in the autumn. Black tie isn't compulsory, but most of us like the excuse to dress up a bit.

For me, the biggest shock was seeing Chris and Will, these two lads from the maintenance department. Normally they're slouching round in jeans and uniform polo shirts, so seeing them in dinner suits was something else.

Their hair was a bit scruffy and neither of them had bothered to shave, but their suits were so immaculate they had this sort of rock-star look. They noticed me too. I was wearing a long skirt over a corset top which pulled my waist in and shoved my tits and hips up and out.

I was wearing it really tight, which meant I didn't eat that much. I didn't overdo the drinks, but later on I started feeling woozy. I went outside and saw Chris and Will having a fag. They asked if I was okay. "Fine," I said – a bit of fresh air was all I needed. We chatted a bit and I drank some of their beer, the pair of them leching over my outfit, while I told them they didn't look bad themselves.

Chris took his chance, steaming in for a snog. Will told him to calm down, not to take advantage. Maybe he was a bit hacked off he hadn't got in there first! I told them not to worry – I wasn't that drunk. I kissed Chris again, but shot an arm out and grabbed Will's jacket, making sure he wasn't going anywhere either.

The party venue was this big old building, and finding a disused stairwell wasn't hard. Now, as I was snogging Chris, Will stood behind me, dipping his hands inside my strapless top to cup my boobs. As he ground up against my arse, his flies got caught in my skirt – which had cost a fucking fortune. I told him to be careful, and he just told me to take it off. That seemed like as good an idea as anything!

The guys were staring at me as I folded it up – all I had on now was my corset, leather zip-up boots and a little black G-string. I saw Will do this sort of hourglass shape with his hands, really appreciating what he was seeing – which gave me a horny buzz.

NEXT, HE OFFERED ME HIS JUICE-COATED LENGTH

CONTACT ME

We just carried on as before, except now Chris was fondling my tits. Will had my naked arse cheeks to play with. He kept snapping my G-string against my crack, then his fingers strayed inside it, skimming close to my bumhole before finding my pussy.

By now I was nicely juiced up and I felt excitement crackle through me as I heard him unzip. Then his moist-tipped cock moved up and down my wet crack.

To fuck me, he had to bend me forward – and in a corset, that meant my face was level with Chris's crotch. Chris unzipped too, and soon I was sucking on his cock, tasting his pre-cum as I teased him with my tongue. The corset also meant my breath was coming in short gasps, which just heightened the turn-on for us all.

I was more sensitive to everything I was feeling – like Chris's fingers tweaking and rolling my nipples, and Will's hairy ball-sack brushing up against my shaved pussy lips. They were taking it slow, fucking me until an orgasm finally shuddered through my body.

Once I'd clearly cum Will just grabbed my hips, holding himself deep inside me without thrusting. I thought he was going to cum – instead he let me carry on sucking Chris. I massaged his balls, and soon he was spurting down my throat. Now I realised what Will was hanging on for. Immediately I let Chris slip out of my mouth he pulled out of my pussy and walked around to offer me his juice-coated length.

As I sucked on it, Chris moved round the back of me to lick me to another orgasm. And as I started cumming, I sucked Will right off too, swallowing his spunk as eagerly as I had his mate's creamy cum.

I've never topped that double-fuck! I'm still good mates with the two boys but they don't really do it for me without the suits! Let's wait and see what happens at the next staff party…

Sophie, London.

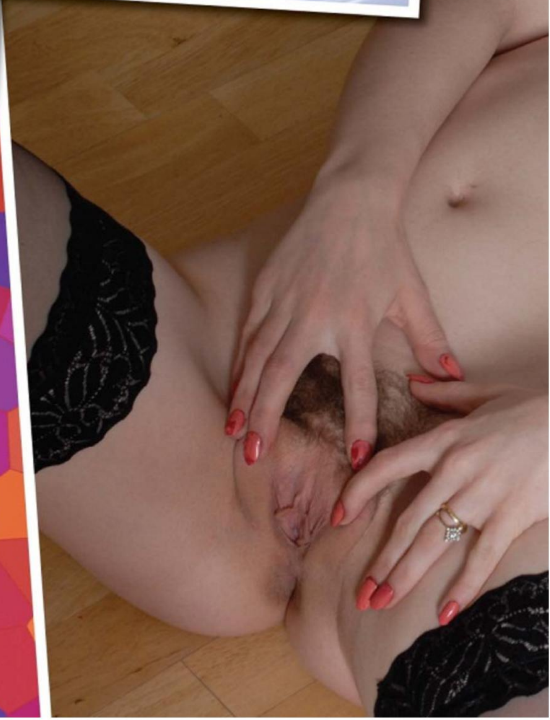
FAWNA

Take this down...

All applicants for secretarial jobs at Paul Raymond undergo a rigorous selection procedure that makes The Apprentice look like a cycling proficiency test. Of course not. There are just two questions. “Can you make a cup of tea?” and “Do you mind taking your clothes off?” Applicants don’t even have to be able to answer the phone (just try ringing us to see that’s true). Fawna’s a natural – phone ringing off the hook, clothes everywhere, pussy on our desk. She has to work on her tea making skills though.



SEX WITH ALL THE STRINGS

Sex is much more satisfying when you add sound. But not all of Daisy's housemates appreciate her carnal arpeggio

Hit the right spot and sex with me will not be a quiet affair. I find it very difficult to bite my tongue while Mr Boyfriend is nibbling my neck, thighs or pussy, or teasing me with his cock. It's even been shown in a recent study that sex is better and you orgasm harder when you vocalise your pleasure. The problem is that we live in a house-share and it seems our three fellow homies have heard enough.

I've come to this conclusion, because after one especially vocal session that involved a heavy duty hog-tie set, numerous vibrators and nipple clamps, once the waves of orgasm had subsided and I'd been released by Mr B, I slipped on my dressing gown and headed to the bathroom only to come face to face with our three housemates.

Pulling the gown a little tighter around my otherwise naked body and trying to smooth down my dishevelled hair, thinking 'they won't realise what we were up to', it soon became apparent there was no way to hide what we'd been up to. There was certainly not a look of satisfaction on their faces.

Ooh yeah, that's my middle C

Apparently a line had been crossed. "I'm trying to do some work," said one of them. "Background sex noise while on the phone to parents isn't cool," explained another. The third, JV, just looked disapproving and shook his head. Silent disappointment is always the worst. Naturally, I apologised profusely.

There was a time when our sex noise became in house banter: "Who *hasn't* heard Daisy having sex?" they'd joke, or they'd work out how many floors up they had to go before they stop hearing me. (Answer: the third floor bathroom, but extractor fan must be turned on.) Mr Boyfriend even reached legend status as they wondered what he was doing to me to provoke such wails of pure pleasure. Maybe it was time for them to find out.

In a moment of pure impulsiveness I blurted, "Do you want to watch? Well, you've heard the audio, why not see the full show?"

"Oh, for fuck's sake, Daisy," and with a roll of their eyes, two of them walked away, not taking it as a serious offer. JV however stayed, much to my surprise. Looking me straight in the eye, he said, "Go on, then." What the fuck?! Not expected, but as he said it I felt my pussy pulse in anticipation. Well, the reason I was so loud was because I'm a bit of an exhibitionist, so inviting someone in to watch only fuelled my fantasies.

JV followed me in to my room. Mr B was lying naked on the bed. Explaining what had happened, surprise, followed by a naughty smile, spread across Mr B's face.

He told JV to sit on the chair at the end of the bed and quickly outlined the rules: he wasn't to touch or join in, but he could touch himself. When it was over he was to leave the room and not breathe a word to the other housemates.

Ordering me on to all fours, Mr B took hold of his cock, knelt behind me and inched his way in. There was a nod of approval from JV. As we started a rhythm, I saw JV undo his fly and slip his hand inside to cover his hardening cock. After that, it was like JV wasn't even there as Mr B fucked me every which way and I didn't hold back on the noise. Judging from the moans I heard escape JV's lips now and then, it was clear he was fast understanding why it was so hard for me to be silent.

We finished up with Mr B fingering my pussy and him cumming in my mouth. Looking over, JV had already shot his load. Since then, JV has tried to keep the peace as best he can. Perhaps a return invite isn't totally out of the question.

CANDY

As her name suggests, sweet Candy (26) loves chocolate, but prefers the taste of spunk. "I guess you could say I'm a cockaholic. All day long I dream about dick, slding my lips around thick shafts, wanking them off between my big boobs and swallowing big creamy loads. I bet yours tastes nice too!"

Smear taste

SARA, E. SUSSEX

My girlfriend Sara knows her way around a pussy – as you'd expect because, as well as being a dyke, she's a practice nurse for a GP!

One time I called for her at the surgery, on the way out to see our friends. And when I saw the examination table in her office, I said we could try a bit of roleplay!

She looked shocked – obviously she's got to be professional at work. But I wasn't letting go of the idea! One night a few weeks later, I called by after hours when I knew she'd be there catching up on paperwork.

I said I had an ache in my pussy and could she take a look? She gave me a massive talking to, saying she'd probably get sacked if we got caught. I totally ignored this and said, "I'll just take off my knickers, shall I?"

She sighed, then snapped a latex glove on, squirting a load of lube over it. She sort of went into work mode, on autopilot, like she was seriously looking for something wrong. Then she winked at me and started fingering my hole. She fucked it hard, her other gloved hand playing over my clit, the rubber adding to the friction. Then she dipped two fingers in the lube and started probing my arsehole too.

SHE LUBED UP AND PROBED MY PUSSY

I took over playing with my clit – my free hand over my mouth so I didn't scream too loud, and it was like my moans went through my body instead, making me shudder all over as I came.

Now she got right into it, telling me I'd have to bend over the table so she could check me from another angle. She wheeled her chair over to me and sat behind me, spreading my legs a little, then splaying my cheeks so she could tongue my cunt again and get me wetter.

She said my pussy was shrinking and tightening through lack of use – yeah, right! – and she'd need to perform an emergency procedure. Then she rummaged in a drawer and took a vibrator out of there. I still don't know why she kept one there, I was just glad that she did.

CONTACT ME

She started fucking my cunt, fingers still playing on my clit. Then she switched over, jamming three of them in my hole as she turned the vibrator on. Somehow she managed to squeeze my most sensitive spots in between the tip of the toy and her finger, so I was almost sobbing with pleasure.

"You're still orgasming fine," she said in her medic's voice, as I started cumming.

I returned the favour with my tongue. She pumped her hips against my mouth and I tickled her G-spot with a finger, which I knew would finish her off.

Almost instantly she started cumming, and I felt a forceful spurt of juices over my thrusting tongue.

After a night of rampant fucking in our bed, she decided to call in sick!

Melanie, East Sussex.

THE WHITE STUFF!

ANGELA

Rods at the ready – Angela White is angling for an acquatic adventure in the Escort "swimming pool". The girl from down under who's big up top was visiting our fair shores, so to make her feel at home we turned the heating up, put spiders in her shoes and gave her a spanking at cricket. "I love British lads," the 32GG-boobed stunner informs us. "If you really wanted to make me feel at home couldn't you get three or four to soap me up then plug my mouth with cock?"

REAL WIFE SEX

Laura's story continued from page 19

more confident than he'd been with me! – our hands wandered and we ended up kissing.

The four of us got on the bed – in pairs at first, but then one on either side of Katrina as she laid back and Simon spread her legs. He was squeezing her tits, so her nipples popped out between his fingers, looking so stiff and tempting. So I took one in my mouth and Tia sucked the other.

He slapped his juice-wet hands on her boobs

Katrina was squirming around, pulling her snatch open as Simon swiped her slit with his cock head, then put himself inside her. Hands free now, he started stroking me and Tia, his fingers creeping up my skirt and inside my knickers, and then the other hand in hers as she pulled down her jeans.

He was about the least obvious superstud, but sharing him was more fun than you'd think. He had a filthy mind – after fucking Katrina slowly as he fingered us for a while, he slapped his juice-wet hands on her boobs, squishing and squeezing them before he braced himself over her and fucked her full-force.

She was squealing, hips rocked back and legs up, as he emptied his load inside her, then she moaned as he scooped fingerfuls out of her tender snatch to feed to me and Tia as we shared a lezzie snog over her naked body.

We all got a fair share of his cock that night

We all got a fair share of his cock that night – he ground me from behind while I was licking Tia's pussy, and while she took her turn at being fucked, Katrina and I went tit to tit, her fingers creeping into my arse crack.

Simon's refused to choose between us – he doesn't "want any bad feeling" – but I think now that he's realised women actually like him in "that way", he's having his fun putting it about. Not that he's chucked us completely, mind – I bumped into him in town the other day and within half an hour I was on my knees in front of his couch, licking his balls. And if I heard he was still fucking Tia or Katrina too, or both of them, it wouldn't come as a shock…

KAT

Mega-boobed Kat can't play pool for toffee, puts balls down pockets when she thinks you're not looking and dangles her boobs in your face when you're trying to take a shot. But we still let her win – after all, winner stays on, and no-one wanted this cue-humping exhibition match to end. "I wiped the floor with you!" she guffawed. Well, the floor certainly needed wiping after this little performance!

Mound Force

When I divorced my limp-dick hubby, I decided to sell the house.

I didn't have the money to get the garden made over, but a bloke called Davey, from a local allotment, agreed to do it in exchange for the gardening tools my ex had left behind.

He was sort of rugged and grubby – just manly, really! And it didn't help that he always showered at mine before driving home – the thought of him stripped down and scrubbing off the muck and grime got my pussy seeping! Soon I was dressing to impress – nothing tarty, just pretty little dresses that showed off my figure.

On the last day, he called for a towel and, when I went to pass it round the door, he said why didn't I come in and scrub his back?

I walked in – he had a nice, stocky body, and a very nice semi-on! So I just kicked off my shoes and took off my clothes, then got in the shower with him.

I soaped his back, giving his bum a playful pinch. Then he turned around and grabbed me in a clinch.

My tits had been rubbing up against him and, now he was having a good old stare at them, he said they were the perkiest he'd ever seen. And I saw the semi he'd had was now at full mast.

The shower was pretty small without much room to manoeuvre, so he spun me to face the wall and slipped in my snatch from behind.

He nibbled on my neck as he fucked up inside me deep, as I fingered my own clit and gave him a squeeze. But the shower was a bit slippery, so we gave up on that idea!

He sat down on the loo and I went to get on his lap, but first he had me stand there with my bum about a foot from his face, so he could have a look and a play. Then he asked did I have any lube.

I felt butterflies in my stomach as I handed him some from a drawer, then

My girlfriend Chrissy's one who gets really wound up if things aren't neat and tidy.

The state of my car was doing her head in so I told her she could do it herself, if she got nice and wet herself while doing it.

I dressed her in a short summer dress for her job. As the spray splashed off the bodywork, her dress got damp. I'd already realised she wasn't wearing a bra, but her brownish nipples gradually "melted" into view, as the fabric got wetter.

Now she started soaping it down. She wasn't squeezing foam and froth all over herself, but she wasn't avoiding getting covered in it either. As she stretched out to sponge the bonnet, her skirt rode up exposing a flash of the little white knickers she was wearing. Forget your lacy lingerie, I've actually got a bit of a thing for plain cotton panties.

In the end, though, she was totally soaking and she really got into it. Now she did turn the hose on herself, wetting her dress so it was clinging to her nipples with her knickers showing through. Then even they went transparent, so I could see the shadow of her thin bush.

I stood up and started snogging her, shivering as the cool water soaked through my clothes. She sprayed me for a laugh, then undid my flies, pulling my cock right out and dropping my pants.

felt him work it over my arsehole. Then he fingered me, first one, then two, then three, warming me up and opening me wider.

I was soon ready for a fucking but let him say when. At last, he had me sit back, lowering myself slowly onto his prong, savouring the feel of it slowly inching into my arsehole.

At last, when it was in down to his balls, we ground slowly against each other.

I started to finger my clit again and almost instantly I felt a big cum building up, and Davey grabbed me round the tits and waist, steadying me as I moaned and trembled my way to orgasm, my unstuffed pussy dripping hot juices all over his swollen balls.

I got my asking price for the house, and now I'm in a cosy little flat. I'm not on the lookout for a new partner just yet, but I don't want for cock. Davey's usually up for a bit of fun, screwing me in whatever hole takes our fancy…

Gemma, Birmingham.

I bent her over the bonnet of the car, pulling her panties down and flipping up her skirt. She groaned as I fucked her twat, spread-eagling her so I could pound in even deeper.

For such a neat girl, she knows how to play dirty – and she said she'd let me have her up the arse, as long as she got to watch me clean out the interior of the car. Talk about fucking blackmail, but I wasn't going to refuse.

After getting her wet and slippery with her own pussy juices, I thrust my cock slowly up her bum. She was groaning, knuckles white where she was clinging on to the car, but she was going to take me however I wanted to screw her.

I went easy on her at first, but when she seemed to handle gentle grinding, I started fucking her a bit harder and deeper. She seemed to like it when I pinched her hard nipples every time I pushed in.

As we screwed, I gave her bodywork a clean too, rubbing the soapy sponge over it, then spraying her with the hose. It got her thrashing round, but my cock stayed deep in her bum until I was hosing that full of spunk!

I kept my side of things, even vacuuming inside the sodding car.

Matt, Pembrokeshire.

Black magic

I recently had sex with two fit young black guys – these pics of my battered cunt were taken by my husband after they'd left.

I didn't want him watching

JANE, STAFFS

though, so I took Ben and Jacob up to the hotel room on my own. Jacob relaxed in a chair as I sucked Ben's massive cock. Then he lifted me up, dropped me on the bed and ripped my thong off. He immediately went down on me with his lizard-like tongue, lapping at my gushing gash.

HIS OILED-UP BALLS SLIPPED AND SLID OVER MY PUSSY LIPS

Meanwhile Jacob stuffed his cock into my mouth. Ben now kissed me on the lips and pushed his big stiff cock right inside me. I gasped at the length as it hit the spot first time! Not only was it the longest I had ever had it was the widest too.

I wrapped my boot-clad legs around his body and pulled him in further. He was pumping away, like a big piston moving in and out. I gasped yes when he asked if he could fill me with his seed.

Jacob joined me on the bed. He lifted my buttocks up so I was on my knees doggy style. He rammed his large cock straight in my well used cunt with no warning. I gasped as he shoved it up to the hilt and gripped my hips fiercely as he kept pumping in and out.

By this time I was due another orgasm and came very quickly at the same time as Jacob rammed his thumb into my bum, my juices swilling Ben's cum over Jacob's cock. Jacob wasted no time then in ramming into me a few more times before shooting his hot spunk deep inside me.

He collapsed on top of me from behind, his softened cock still feeling big inside me. I rolled over onto my back, my pussy sore and wet. Ben and Jacob kissed me tenderly and left.

I texted my husband who came up immediately. He gets very turned on by the thought of me having sex with other men and when he felt all that spunk on his dick that wasn't his and how loose my sex was from the two big guys he only took a couple of strokes before filling me with his spunk too.

Three different men's spunk inside you is quite a feeling!

Jane, Staffs.
